

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣನಿದ್ದಪ್ಪ.—ವಿದ್ಯಾ ಮಂತ್ರಿಗಳು ಸಂಚಾರ ಮಾಡುವ ಕಾಲದಲ್ಲಿ ಗಂಡಸಿಗೆ ಹೈಸ್ಕೂಲು ಕೊಡುತ್ತೇವೆ ಎಂದ ಹೇಳಿ ಹೋಗಿ ನಾಲ್ಕು ತಿಂಗಳುಗಳಾಯಿತು. ಅವರನ್ನು ಕೇಳೋಣ ಎಂದರೆ ಅವರು ಈಚೆಗೆ ಈ ಸಭೆಗೆ ಬರುವುದೂ ಕೂಡ ಅಪರೂಪವಾಗಿದೆ.

Mr. SPEAKER.—This is not a supplementary. This is a long speech.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣನಿದ್ದಪ್ಪ.—ಇರುವ ವಿಷಯ ಹೇಳಿದೆ, ಸ್ವಾಮಿ. ವಿದ್ಯಾ ಮಂತ್ರಿಗಳು ಸಂಚಾರ ಕಾಲದಲ್ಲಿ ಗಂಡಸಿಗೆ ಹೈಸ್ಕೂಲು ಕೊಡುತ್ತೇವೆ ಎಂದು ಹೇಳಿ ಈಗ ಕೊಡದೇ ಇರುವುದಕ್ಕೆ ಕಾರಣವೇನು?

Smt. GRACE TUCKER.—The question of Gandasi will be looked into. As far as the Education Minister having gone to that place and discussed about the High School, I am not aware of it; the representation which is made by any people is considered; it has to be examined further and then re considered. There is generally no promise from any Minister at any place that they would give anything. It is not possible because things have to be examined.

Sri V. S. PATIL.—The Hon'ble Deputy Minister was pleased to say that local associations or bodies would be given preference over outsiders. In Kadoli in Belgaum Taluk one high school is run by a local body and another is run by a Kolhapur body. But the recognition is given to Kolhapur Body.

Smt. GRACE TUCKER.—I am not aware of such a thing. As far as local bodies and outside bodies are concerned, we have not looked into that matter. All those who come and want to open schools in our State are most welcome. We have not looked into that question at all. I would not like to differentiate on such a thing. If you want the Department to look into the question of recognition of High school which has been opened by a certain body it will be looked into. So far as Tumkur question is concerned, in 1961-62, there were three high schools opened and all the three are by private bodies.

Temporary Lecturers Working in the Government Colleges in the State.

*Q—43. B. HUTCHE GOWDA (Turuvekere).—

Will the Government be pleased to state:—

(a) the number of temporary lecturers in the Government Colleges in the State, (College war information may be furnished);

(b) how long they are continuing as local candidates;

(c) whether it is a fact that applications were called for permanent vacancies, and if so, when;

(d) the action taken after the receipt of these applications from the candidates;

(e) whether it is not a fact that these Lecturers are continued year after year for the past six to seven years in temporary vacancies only;

(f) whether they intend to take immediate steps to fill up these long standing vacancies permanently?

A.—Smt. GRACE TUCKER (Deputy Minister Education) [On behalf of SRI S. R. KANTHI (Minister for Education)].—

(a) *Vide* statement given below.

(b) Upto six years, inclusive of temporary service rendered prior to taking over of the colleges by Government from the Mysore University.

(c) No applications were called for after the colleges were taken over by Government from the Mysore University on 24th June, 1960.

(d) Does not arise in view of reply to clause (c).

(e) In some cases they have been continued year after year upto six years.

(f) The matter is under examination.

Mr. SPEAKER.—The Government has answered that they were continued for six years without being made permanent.

Sri C. J. MUCKANNAPPA.—With reference to clause (c) the answer is that no applications were called for after the colleges were taken over by Government from the Mysore University on 24th June 1960. I want to know after taking over these colleges from University, whether the lecturers were continued in the various colleges where they were appointed or not.

Smt. GRACE TUCKER.—The lecturers whom we inherited from the Mysore University continued in several colleges.

1-30 P.M.

Sri S. M. KRISHNA.—May I know the number of existing vacancies of lecturers posts in the various Government colleges?

Smt. GRACE TUCKER.—I want notice.

Smt. K. S. NAGARATHNAMMA.—May I know how many temporary men lecturers are working in Women's Colleges?

Smt. GRACE TUCKER.—I do not have those figures.

Sri G. V. GOWDA.—May I know how many vacancies of Demonstrators and Tutors posts were there when the Government took over the colleges and how many of such posts were created after taking over the colleges?

Smt. GRACE TUCKER.—With regard to the colleges in the old Mysore we began to have vacancies from this year. We have recruited about 100 persons as tutors and demonstrators.

Sri S. SIVAPPA.—Is it not a fact that the ex-Chief Minister Sri S. R. Kanthi made a solemn promise on the floor of this House that he would regularise the services of local candidates who were working as temporary lecturers in various Government colleges?

Smt. GRACE TUCKER.—It is being considered by the Government.

Sri S. SIVAPPA.—Is it not a fact that after that promise 111 temporary

lecturers were reduced in their ranks and appointed as Tutors and Demonstrators?

Smt. GRACE TUCKER.—There is some mistake. We called for applications for certain posts at the beginning of the year. This year we called for applications for posts of Tutors and Demonstrators. In response to that advertisement there have been applications and we have taken some persons as Tutors and Demonstrators.

Sri G. V. GOWDA.—Is it not a fact that these lecturers were compelled to apply for the posts of Tutors and Demonstrators and then were appointed?

Smt. GRACE TUCKER.—We cannot compel anybody. In fact so many people have resigned their jobs.

Sri G. V. GOWDA.—Is it not a fact that these Tutors and Demonstrators who were appointed, were previously working as Lecturers?

Smt. GRACE TUCKER.—We do not draw upon the services of anybody. We had advertised for posts of Tutors and Demonstrators. In response to that advertisement we have appointed those persons who had applied. It is quite possible that some persons might have worked as Lecturers. In the whole State of Mysore there have been thirteen or fourteen colleges and about three colleges in the integrating areas. In these three colleges there were 49 lecturers. They have been taken. We have had to take Tutors and Demonstrators because in any college there would be one or two lecture period but a large amount of work in the laboratories and there would be need for tutorial staff. These posts had to be filled in because they were absolutely necessary. In fact we had over-staff of lecturers. Therefore to fill in the posts of Tutors and Demonstrators, we called for applications.

Sri C. J. MUCKANNAPPA.—Sir, the answers given for the same question are different from the answers we have received today. This matter has come up before us four times. So, may I request the Chair that this question

(SRI C. J. MUCKANNAPPA)

might be held over till the Minister for Education is able to come and furnish answers? I do not know whether the Deputy Minister is in possession of all the information.

Mr. SPEAKER.—The House has already spent 45 minutes on this one question.

Sri S. SIVAPPA.—Sir, the Deputy Minister has made one revelation. She said that there was over staff of lecturers. On the other hand we know that we are not having an enough number of lecturers.

Is it not a fact that the creation of the posts of Tutors and Demonstrators is a new innovation?

Smt. GRACE TUCKER.—We wanted to have persons for tutorial work and Demonstrators for Laboratory sections. So we have created such vacancies and taken in people. We had enough number of lecturers.

(b) whether they are aware that these bullocks and cows are not utilised for the purpose for which they are given?

A.—Smt. YASHODHARA DASAPPA (Minister for Social Welfare).

(a)

Year	Pairs of bullocks supplied	Cows supplied	Total number of persons supplied with bullocks and cows.
1960-61	86 pairs	27	113

(a) whether they are aware that the M.S.K Mills, Gulbarga is closed for the past six months;
